FOR IMMEDIATE RELEASE:

NCG Participates in Bowdoin College Consulting Panel

Portland, Maine, December 2, 2016: On December 1, 2016, Northcross Group (NCG) participated in Bowdoin College's "Consulting Across Sectors", a panel discussion for students co-sponsored by the Bowdoin Consulting Group and Career Planning.

NCG President Christopher Bender was a panel member with presenters from across the consulting space, including health care, politics, and technology. The session explored different aspects of the consulting profession, advice for students looking to pursue careers in consulting, and included an interactive question-and-answer session.

"NCG is always pleased to participate in educational programs within our community. We have had a strong relationship with Bowdoin over the years. Two of our former interns were Bowdoin students and we have two employees that went to Bowdoin. The session drew a nice cross section of students that actively engaged in the dialogue about the consulting profession", said NCG's Bender.

Bowdoin Career Planning helps Bowdoin students explore their interests, gain experience, and pursue fulfilling postgraduate work. For more information, please visit www.careerplanning.bowdoin.edu.
