FOR IMMEDIATE RELEASE:

NCG Tours Center for Grieving Children Facilities

Portland, Maine, December 18, 2015: Northcross Group (NCG), in its continuing efforts to support the local community, visited the Portland service site of the Center for Grieving Children on December 18, 2015. NCG is an annual donor to the Center.

Since 1988, the Center for Grieving Children has provided loving support to grieving children, teens, families, and communities through peer support, outreach, and education. Northcross Group President Christopher Bender and NCG staff toured the facilities, met with volunteers, and discussed ways that NCG could continue to support the nonprofit organization in its tremendous efforts to assist children and families dealing with some of the biggest challenges imaginable.

The Center currently has over 200 volunteers serving its Bereavement, Multicultural, Young Widow and Widowers Groups, and Community Outreach programs. The Center for Grieving Children receives no government grants or programming—relying totally on community support. The Center’s mission is to “provide loving support that encourages the safe expression of grief and loss and fosters each individual’s resilience and emotional well-being. “ The Center provides services to over 4,000 children, teens, young adults, and their families through their service sites in Portland and Sanford.
