FOR IMMEDIATE RELEASE:

Northcross Group to Drive Federal Business Development with Virginia Office

Portland, Maine, January 3, 2011 —Northcross Group (NCG), a Portland based management and information technology firm, is pleased to announce the opening of its secondary office location in Arlington, Virginia. The new office is located at 1655 North Fort Myer Drive, Suite 700, Arlington, Virginia 22209. The headquarters will remain in Portland, Maine.

“Opening an office in Washington DC furthers NCG’s strategic growth plans that emphasize further development of our Federal Government market. This location, in the Rosslyn area of Arlington, is just across the bridge from the District and will allow us to better serve and connect with our Federal clients. Marc Ashley, our Vice President of Public Sector, will lead this new location. Marc will continue to drive relationships with new partners and clients, and help ensure our customers are receiving the highest level of customer service and service quality they have come to expect,” says Northcross Group president Christopher Bender.

Northcross Group (NCG) is a management and technology consulting services firm. Incorporated in 2006, NCG is headquartered in Portland, Maine. NCG delivers highly complex initiatives bridging between technology and business to maximize ROI, ensure security, and compliance in environments facing big opportunities or challenges.
