FOR IMMEDIATE RELEASE:

Northcross Group Expands PM Team

Portland, Maine, March 1, 2012 - Northcross Group (NCG) has added Rosemary Presnar as a Senior Project Manager to its PM Team. The NCG PM Team brings a unique blend of management and technical skills to engagements to most effectively drive projects that involve people, technology, data, and security.

Ms. Presnar's professional experience spans from military service to industrial engineering, program management, business development, and information systems consulting for Fortune 50 corporations.

Ms. Presnar will be taking an active project management role in supporting NCG clients.

"We are very excited to have Ms. Presnar join the growing NCG Team," said NCG President Christopher Bender. "Ms. Presnar brings a career long dedication to business innovation and progress using technology to empower organizations—a great fit with the NCG service model."

Northcross Group is a management and technology consulting services firm. Incorporated in 2006, NCG is headquartered in Portland, Maine with offices in Arlington, Virginia. NCG delivers highly complex initiatives bridging between technology and business to maximize ROI, ensure security, and compliance in environments facing big opportunities or challenges. For more information on NCG please visit <http://www.northcrossgroup.com>.
