FOR IMMEDIATE RELEASE:

Northcross Group Awarded GSA STARS II GWAC

Portland, Maine, September 26, 2011—Northcross Group (NCG), a Portland based management and information technology firm has received an award under the General Services Administration’s (GSA) STARS II Government Wide Acquisition Contract (GWAC) for Computer Systems Design Services.

STARS II is a multiple-award contract engineered to provide cutting-edge technology solutions from award-winning 8(a) small businesses to federal agencies. Using 8(a) STARS II enables federal agencies to access 8(a) firms through an established contract and meet small business contracting goals.

“Our STARS II award is a foundational element of NCG’s Federal Market strategy,”- said Christopher Bender, Northcross Group President. “Computer System Design Services is a core NCG competency area. NCG has built robust processes and methods to streamline efforts and ensure success with a focus on execution to deliver real value for our clients. We excel in highly complex and challenging environments, where innovation and problem solving are key to delivering results.”

Mr. Bender continued, “The NCG Team is comprised of professionals with excellent track records in the public and private sectors. Our consultants bring backgrounds in Defense, Intelligence, and Civilian; as well as expertise gained in various private sector industries in financial services, logistics, security, and energy. STARS II provides us with an excellent vehicle to connect our services across the Federal Government.”

NCG 8(a) STARS II Contract #GS-06F-1153Z. More information on the STARS II GWAC is available on the GSA website – www.gsa.gov/8astars2
